Continuous Improvement
Considerations for the Next Step
Change is a process not an event.
Continuous Improvement

How do you discuss continuous improvement without sending the message that what you are doing is not good enough?
Continuous Improvement

- Trend data now exists for all programs
  - Admissions
  - Content Knowledge (2 Key Assessments)
  - Pedagogical Knowledge (2 key Assessments)
  - Impact/Conditions for Student Learning
  - Conceptual Framework and Professional Behaviors

The answer to the question WHY is rarely answered by data alone
Continuous Improvement

- Is the data specific enough to tell you what you need to know to improve candidate learning?
- If the goal is to have specific candidate competencies inform the program, what steps are necessary to improve the quality of the data collected by the program?
